## **POSITIVE PROFIT ALERT**

This announcement is made by Edvance International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) would like to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2021 (“**FY2021**”) and currently available information, it is expected that for FY2021, the Group will record an increase in net profit after taxation attributable to owners of the Company of over at least 40% for FY2021 as compared to the same period in 2020.

Such expected increases in net profit are primarily driven by the increase in gross profit resulting from an increase in revenue and gross profit margin of the Group’s cybersecurity products and services businesses.

The Company is in the process of finalising the consolidated annual results for FY2021. The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the unaudited management accounts of the Group and other financial information currently available, which have not been audited or reviewed by the Company’s auditors or the audit committee of the Company.

Shareholders and potential investors should refer to the annual results announcement of the Company for FY2021, which is expected to be published in late June 2021, for details of the performance of the Group.

**Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.**

By order of the Board
