## CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET

---

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

*The following is the explanatory statement required to be sent to the Shareholders under Rule 13.08 of the GEM Listing Rules to enable them to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.*

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 Shares of HK\$0.01 each.

A resolution to grant the Directors the Repurchase Mandate will be proposed at the Annual General Meeting to enable the Directors to exercise the powers of the Company to repurchase its own issued and fully paid Shares up to a maximum of 10% of the total number of issued shares of the Company, subject to the passing of the relevant resolution to approve the Issue Mandate and on the basis of 1,000,000,000 Shares in issue as at the Latest Practicable Date and that no further shares to be allotted.

### **2. REASONS FOR SHARE REPURCHASE**

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or the earnings per share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. The Directors have no present intention to repurchase any of the securities of the Company.

### **3. FUNDING OF REPURCHASE**

In repurchasing shares of the Company, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

Under the Cayman Companies Law, any repurchases by the Company may be made either (1) out of profits of the Company; (2) out of the share premium account of the Company; (3) out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase; or (4) out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Law. In the case of any premium payable over the par value of the Shares to be repurchased on the repurchase, such premium must be provided out of either or both of the profits of the Company or the share premium account of the Company, or out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Laws. In accordance with the Cayman Companies Law, the Shares so repurchased would remain part of the authorised but unissued share capital of the Company.

#### 4. IMPACT OF REPURCHASE

If the Repurchase Mandate were exercised in full, there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2017). However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

#### 5. SHARES PRICES

The highest and lowest prices per Share at which Shares were traded on the Stock Exchange during the period from the Listing Date up to and including the Latest Practicable Date were as follows:

Month	Trading price per Share	
	Highest HK\$	Lowest HK\$
April 2017 (from the Listing Date)	0.36	0.32
May 2017	0.50	0.32
June 2017 (up to and including the Latest Practicable Date)	0.85	0.43

#### 6. DIRECTORS DEALINGS AND CORE CONNECTED PERSON

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any Shares under the Repurchase Mandate if such is approved by the Shareholders.

No core connected person of the Company have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

#### 7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of share of the Company pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

**8. TAKEOVERS CODE CONSEQUENCES**

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code) could, depending on the level of increase in the Shareholder's interest, obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

**9. SHARE REPURCHASE MADE BY THE COMPANY**

No repurchase of Shares has been made by the Company from the Listing Date and up to the Latest Practicable Date (whether on the GEM or otherwise).
